A MESSAGE FROM GOVERNOR MARTIN O'MALLEY

Dear Friends:

Welcome to the Brickyard Educational Farm Fundraiser.

Brickyard Educational Farm aims to teach students about local and sustainable food and agriculture, and to show them how the food they eat is grown. The farm's vision is to supply organic produce for school lunches, and to offer field trips, a Beginning Farmer Program, apprenticeships, and internships to students in neighboring schools.

The work that Maryland puts into programs like the Brickyard Educational Farm will be greatly rewarded through the health of our children and the preservation of our agricultural heritage. The vital connection between our farms, the food we eat, and our children's future has never been more important than it is right now.

On behalf of the State of Maryland, please accept my wishes for a successful event.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin O'Malley". The signature is fluid and cursive, with a large, stylized initial "M".
